

Claiming and Sharing Your Badge

Badge checklist

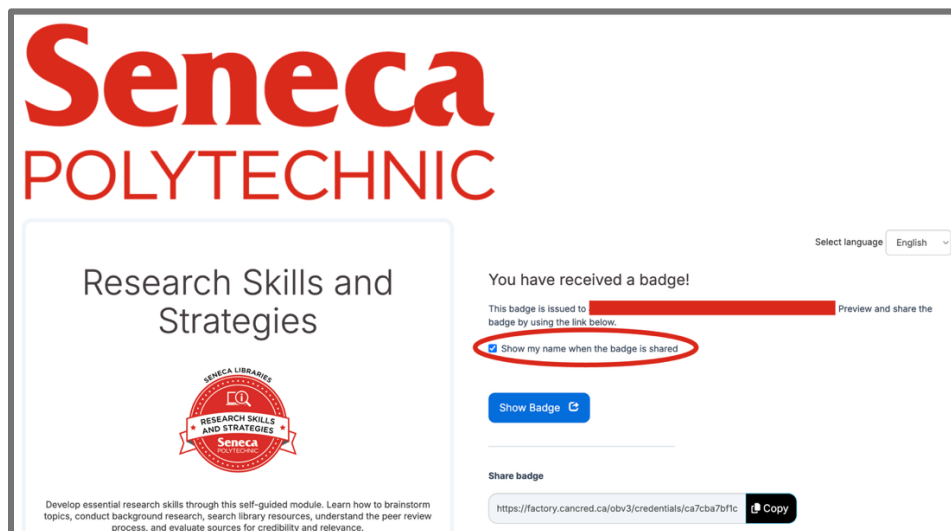

- **Complete the tutorial** - Including all prerequisites outlined at the beginning of the tutorial
- **Apply for the badge** - After successfully completing the tutorial, you will unlock the badge application form. Complete the form and submit the application.
- **Claim the badge** - You will receive an email from Seneca/CanCred Factory. To accept the badge, click the "**Claim your badge**" link in the email. This will send your digital badge to the [CanCred Badge Passport](#), an online badge storage system.

Registering your badge

1. After you have completed a tutorial, you will be directed to the badge application form. Once the form is completed you will receive an email from Seneca Polytechnic/CanCred. Within that email, select the "**Claim your badge**" option.

2. **Make your name visible when sharing the badge** – Let viewers know the badge was completed by you.

Develop essential research skills through this self-guided module. Learn how to brainstorm topics, conduct background research, search library resources, understand the peer review process, and evaluate sources for credibility and relevance.

Sharing and saving your badge (optional)

Share your badge on social media channels – Share your achievement on your social media channels as a link, or directly on Facebook, LinkedIn, and X.

The screenshot shows the 'Research Skills and Strategies' badge page. On the left, there is a red circular badge logo with 'SENECA LIBRARIES' at the top, 'RESEARCH SKILLS AND STRATEGIES' in the center, and 'Seneca POLYTECHNIC' at the bottom. Below the logo is a description: 'Develop essential research skills through this self-guided module. Learn how to brainstorm topics, conduct background research, search library resources, understand the peer review process, and evaluate sources for credibility and relevance.' Below the description, it says 'Issued on 5 May 2026 by Seneca POLYTECHNIC'. On the right, there is a 'You have received a badge!' message. Below this, it says 'This badge is issued to [redacted]'. There is a 'Show my name when the badge is shared' checkbox which is checked. Below that is a 'Show Badge' button. A red oval highlights the 'Share badge' section, which contains a URL: 'https://factory.cancred.ca/obv3/credentials/ca7cba7bf1c' and a 'Copy' button. Below the URL are social media icons for Facebook, LinkedIn, and X. Below the social media icons is a 'Download badge image' link.

Download a PDF copy of the badge – For proof of completion, download a copy of your badge as a PDF.

The screenshot shows the 'Download PDF' section of the badge page. It is titled 'Download PDF' and contains the text: 'Here you can download your PDF badge. The PDF file is a standard Open Badge in an alternative format. You can use the PDF badges straight away without signing in to any services. You can also upload it to a compatible displayer service like Open Badge Passport or one of the dedicated passports.' Below this text is a red box containing a PDF icon and the text 'Research Skills and Strategies'.

Create a CanCred Passport account to collect all your badges – It's free! Select "Go to Passport" and create a new account. All your Seneca badges will be stored here.

CanCred Passport

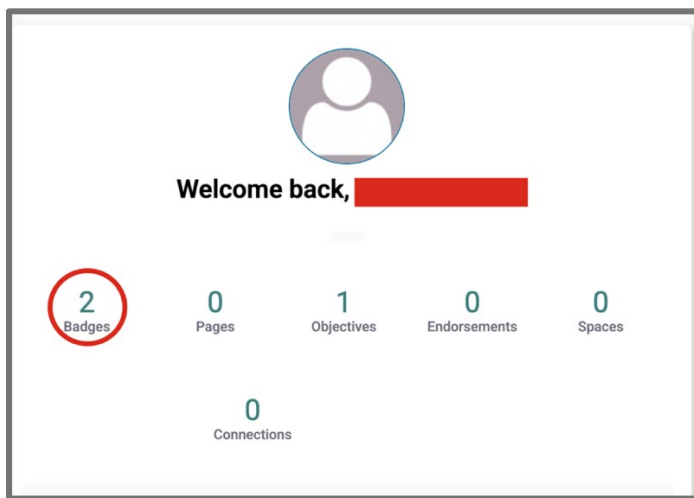

If you already have an account in CanCred Passport, we have saved your badge there. Otherwise you can create your free account by clicking the button below:

Go to Passport
